CAMPAIGN NEWS

Vol. 4 September 9 & 10, '06

1,547 Families Invited to Receptions, 106 Responded Thus Far.

HAVE YOU RESPONDED?

In order to share the plans for our campaign with the parish, the campaign committee will be holding a series of receptions. Every St. Joseph family is encouraged to attend a campaign reception to learn more about the project, ask questions, and learn ways to become involved. Invitations are random and based on the mailing list of the parish. If you are not able to attend any of the dates in your invitation, please indicate on your response card and alternate dates will be provided. You can also contact Darren Moore at the campaign office.

Families who attend a reception will be able to pick up their personalized campaign materials and learn about the campaign and the role which all can play to make it the most successful Campaign our parish has ever had.

Although ways to become involved in the project will be outlined, you will not be asked to return your pledge card at the Receptions.

Please remember to return the Reply Card as soon as possible so that we may adequately prepare for your attendance at one of the receptions.

Every Family should have received an Invitation

Every household registered in St. Joseph parish and school should have an invitation to attend a Campaign Reception. Some have been returned due to insufficient addresses. If you do not have an invitation or have questions, please contact the Campaign Office at (706) 548-6332 Ext.22. Receptions take place throughout September. Every family is asked to attend one of these gatherings. Don't forget to return your RSVP Card!

We Ask EVERY Parish Household to Attend one of the September Campaign Receptions!

If you have any questions about our Campaign, or if you would like to volunteer, please call the Campaign Director, Darren Moore, at (706) 548-6332 Ext. 22.
